Dear Parents and Carers,

I am delighted to be able to introduce myself to you as the new head teacher of Coed Glas Primary School.

This is an exciting time for Coed Glas Primary School. It is my intention to build on the success of the school towards achieving outstanding outcomes for all our pupils. We must work together for this success to be achieved, so I am looking forward to getting to know you and your children over the coming months and working closely with you throughout your child's time at this school.

I have been very grateful for the warm welcome that I have received from the children, staff and governors. My first impressions are of a very happy school where children work hard and behave extremely well. The level of care and dedication that is provided by the whole staff team is also striking; this ensures that your children are provided with a high level of support and guidance.

I aim to send a school newsletter to you each fortnight. This will detail news items from the school as well as highlighting forthcoming events. We are also in the process of redesigning the school website which aims to provide more detail about the school to a wider audience. Your feedback about our communication with you will always be welcome.

The PTA has asked me to remind you that their AGM will take place at 9.15am on Friday 4 October. If you would like to get more involved with the PTA please come along.

Yours sincerely,

Kevin Hart
